Mito Securities Co., Ltd. announces that it has resolved at the Board of Directors' meeting held today to set the period of the Seventh Medium-term Management Plan starting from FY2025 as five years (from the fiscal year ending March 2026 to the fiscal year ending March 2030), and to pay dividends of surplus during the period as follows.

We will disclose an outline of the Seventh Medium-term Management Plan at a later date.

### 2. Reason

We regard the return of profits to shareholders as one of our most important management issues. As part of our efforts to further enhance shareholder returns, we have decided to set the minimum annual dividend per share at 30 yen for the five fiscal years under the Seventh Medium-term Management Plan.

We will strive to enhance our corporate value by further improving our revenue structure as well as improving capital efficiency combined with flexible repurchase of treasury stock.
